

Cool and unique design of the seat shape, with the gas spring which is hidden by a cylindrical cover, give sitool a single continuous form. A trumpet-shaped base further enhances Sitool's sleek profile.

Sleek, modern, fun.

SELF-BALANCING
Sitool returns to upright position after use.

Seat Shape

Cool and unique design of the seat shape was inspired by the sting ray, which swims with a flying motion, free style.....without fetter in the sea.....which is what sitool is all about. Free to change position. Easy to get up from. Gives the busy person a quick rest stop.

Upholstery Pads

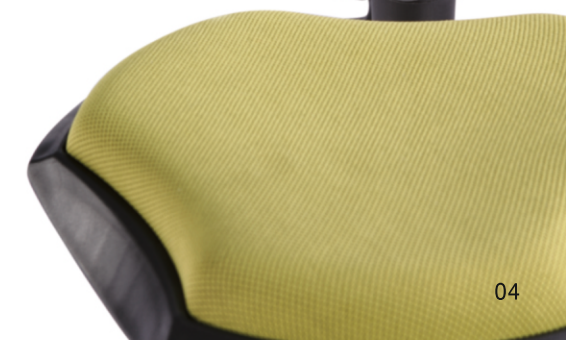

Upholstery choice is offered in fabric, genuine leather or synthetic leather in various colour.

Seat Height Adjustment

Height can be adjusted from 565mm to 705mm, using any 3 buttons easily found under seat. Height is controlled by a gas spring which is hidden by a cylindrical cover to give sitool a single continuous form.

Base

A trumpet-shaped base further enhances sitool's sleek profile. An internal counter weight provides self-stabilizing action while a soft elastomer sole grips different types of floor surfaces. Both are carefully selected to give the user confidence to use sitool in many different sitting positions.

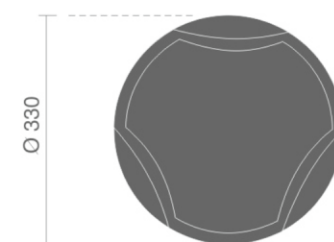

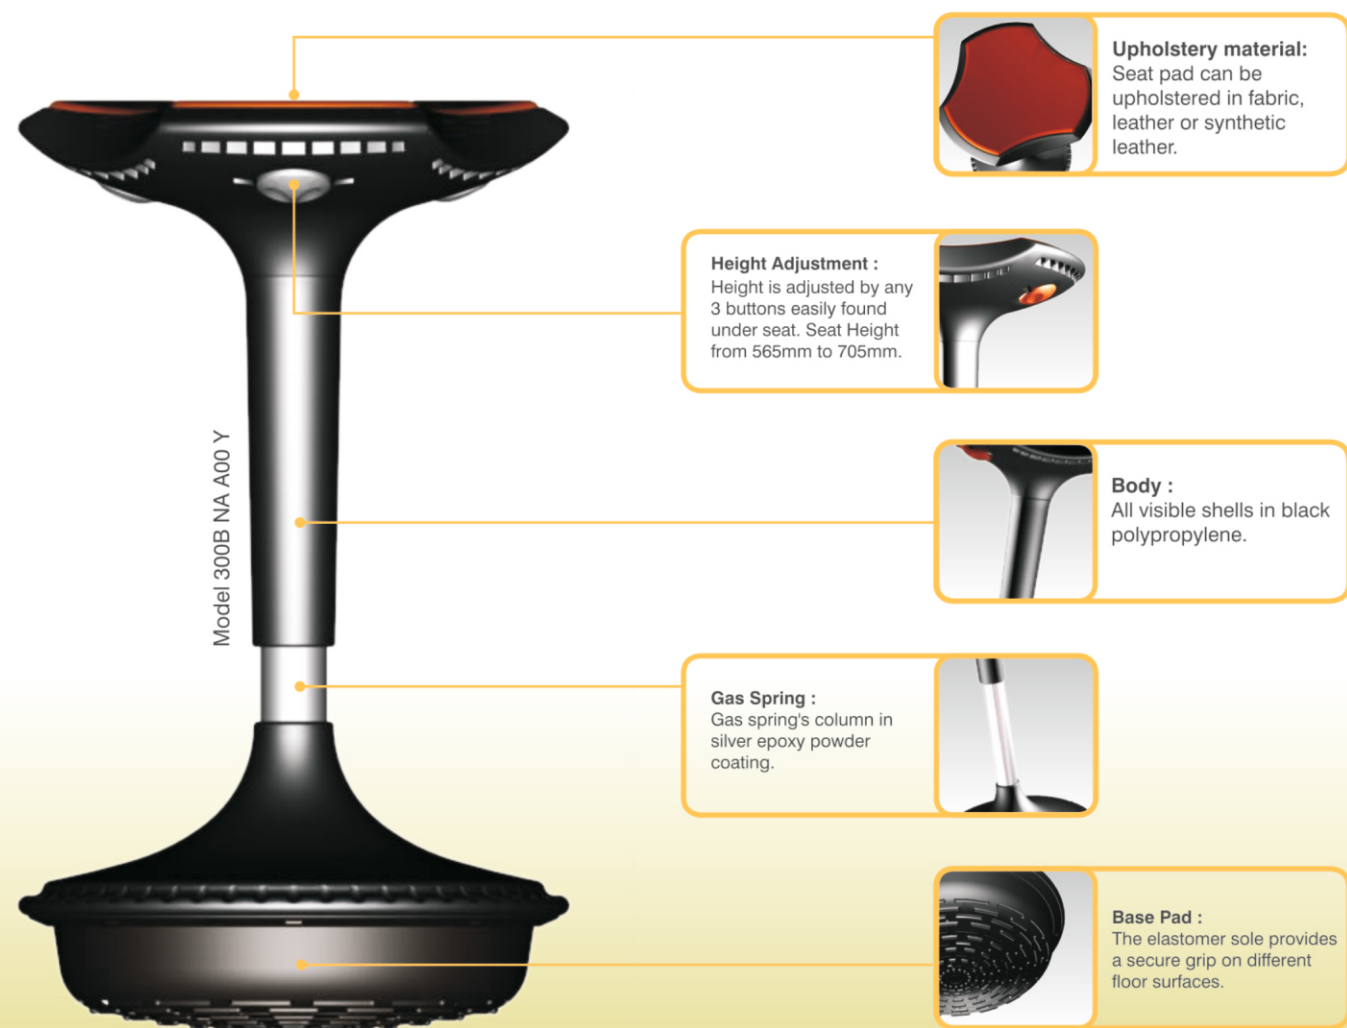

FUN AND FUNCTION

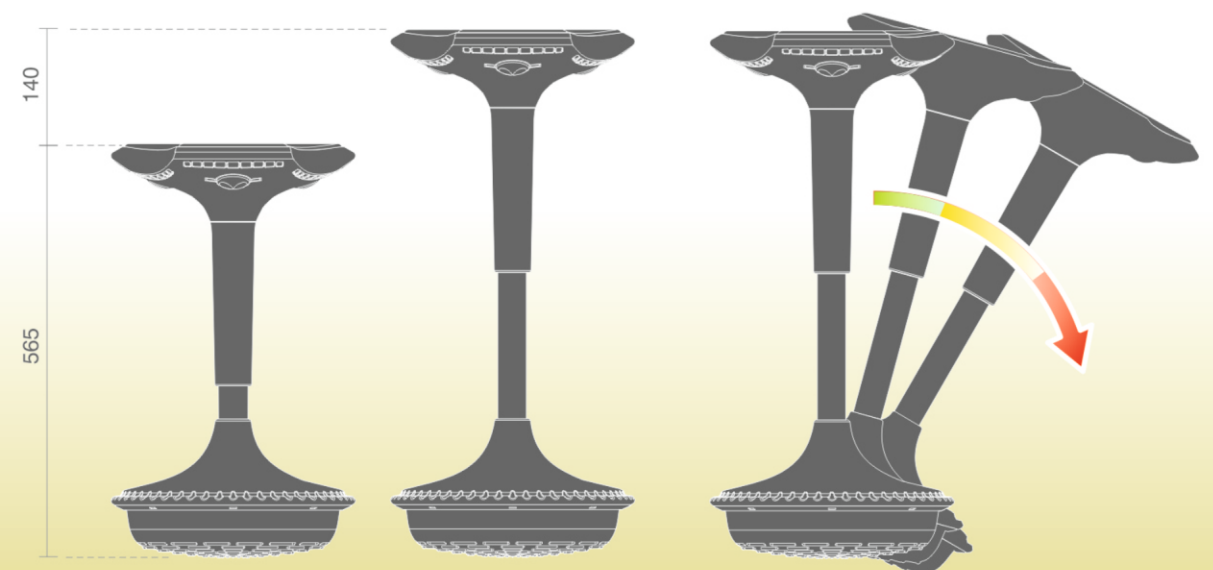

Sitool - provides both fun and function, for many types of spaces.
Perfect for cafe areas, break room, gathering spaces.....
