KOPI-0

MONARCH

Kopi-O is designed for general seating applications both indoors and outdoors. It is perfect in casual settings like bistros, cafes, cafeterias and equally suitable for classrooms and seminars.

Kopi-O is available in several versions. The four-leg and sled leg versions are most versatile. This lightweight chair is easily moved about and can be stacked away. A foldaway writing tablet is optional for classroom use. The bookrack, constructed of mesh fabric, is also an useful add-on accessory. Chairs can still be stacked with bookshelf attached.

48D NA WT1 H

The sled leg is an attractive alternative to the four-leg model, also equally light and stackable.

48C NA A00 Y

48U NA A00 Y

The rear-cantilevered version gives an fascinating impression of a hovering chair. It may not be stackable, but can be easily slotted on top of tables when cafeterias close for cleaning.
